Mark and I are at the local PFAS Summit at the NC Biotech Center (agenda attached above) until about 1:00 pm today.

Toni,

Great.

Good morning,

I have received comments from both OPPT and OW on ORD-032261 Lang et al. There were no policy concerns, but several “sensitivities” were addressed.

Please consider all of the above and revise the manuscript accordingly. Once a revision is ready, please return both the revised manuscript and fact sheet to me. I will upload that version of the manuscript into the STICS record and if I feel you have adequately addressed all of the comments, I will clear the manuscript for journal submission.
